

Ligonier Township Supervisors

Special Meeting

18 November 2010

The Supervisors of Ligonier Township met at 8 am for the purpose of conducting general business brought before the Board. Present were Chairman Timothy R Komar, William C Penrod Jr, and Keith A Whipkey.

Idlewild Park was represented by Manager Brandon Leonidi. Gateway Engineers, Idlewild's Engineering firm was also represented. It was requested that the Park be permitted to change its site plan to provide for a state-of-the-art wave pool to be constructed within the Park. This attraction will draw many more people from the region because the wave pools are very popular. State agencies have already approved the plan and the Ligonier Township Municipal Authority has been consulted as well.

Zoning Officer, Cynthia J Turley, itemized the requirements for approval :

- (1) New Stormwater Agreement signed
- (2) Bond
- (3) Reimbursement of costs incurred by the Township
- (4) Copies of periodic inspections
- (5) Issuance of building permit

A motion was made by Penrod and seconded by Whipkey to approve the change to the site plan subject to the itemized requirements. Motion carried.

There being no further business presented to the Supervisors, a motion was made by Whipkey and seconded by Penrod to adjourn the meeting at 8:10 am. Motion carried.

Respectfully submitted,

Keith A Whipkey

Secretary
